

### Recall and summary

- What have you learnt today?
- What were the key points/learning highlights?
- What do you know now that you didn't know at the start of the lesson?
- What skills have you used, learned or improved upon today?

### Evaluation

- Assess your own work:
- What have you done well? WWW (what went well) & EBI (even better if)
- What is the most important thing you have learnt today? And why?
- How might you improve your learning next lesson?
- Assess the lesson:
- What were the strengths and weaknesses of this lesson?
- What was the most challenging part of the lesson for you?
- How would you alter today's lesson for future students?

### Meta-learning

- What have you learnt about the way in which you learn in this lesson?
- What did you do when you were stuck?
- How will you remember what you learnt?
- Did you make any mistakes? What did you learn from them?
- How do you know you made progress in today's lesson?

### Activities

- Produce a step by step guide or create a revision card
- 3 Top tips for someone learning this topic
- What's the same, what's different questions?
- What's the mistake?
- Write an exam question (or 3) - easy, medium & hard
- Emoji exit ticket
- True or false questions out of a hat
- Odd one out from 3 statements/questions/expressions
- Question/answer match or loop cards or dominoes
